International Islamic University of Chittagong

spring 2024– on going (4TH Semester)

CGPA–3.979

ABOUT ME

I have always been deeply passionate about artistic expression and creativity, which has shaped both my personal and professional journey. From an early age, I was drawn to exploring design, color, and visual storytelling, and over time this passion evolved into a commitment to creating meaningful and impactful work. I take pride in bringing originality, imagination, and attention to detail into every project, striving to transform ideas into designs that inspire and connect with people.
